Continuation of Substance of Interview including description of the general nature of what was discussed:
We discussed claims 9, 20 and 22 regarding 35 U.S.C. 101 rejections due to the claims reciting computer readable medium. Applicant's representative agreed to amend "computer readable medium" to "computer readable storage medium". Also, Applicant's representative agreed to amend Claim 22 so it is similar to the other claims. Applicant's representative electronically submitted the amendment as well as fax-copy.
